Coordination of the proposed change to [REDACTED] is completed. All coordinating offices concurred without comment except the following:

Office of the DD/P
General Counsel (nonconcurrent)

In connection with the above, you will note that the Executive Officer, DD/P, states in the attached memorandum dated 4 January 1957 that the Office of the DD/P is suspending action on the proposal until it has been notified of the action to be taken on the proposed revision of

A copy of the General Counsel's nonconcurrence is also attached so that you may resolve all differences directly with that office before submitting a revised draft of subject change to the Assistant Deputy Director (Support) for further action.
